**SOUL is a school to build a movement. We work to grow the social justice movement by building the capacity of emerging and established organizers and grassroots organizations. We have developed 5 curriculum, training, and organizational development manuals to support the people and organizations fighting to build collective power and win justice for our communities.**

## **BUILDING POWER, SHARPENING MINDS, 2nd EDITION**

This is the second edition of our ever-popular introductory political education workshop manual. The improved edition contains over 300 pages of curriculum; trainings draw upon participants' experiences as a foundation to build up analysis and critical thinking skills. Includes images and statistics, more audio/video resource suggestions, and an easier-to-understand training pedagogy. This manual includes these workshops:

- And the Rich Get Richer...
- Sisters and Sexism
- Attacks on Communities of Color
- Our Histories of Struggle
- Globalization
- Gentrification
- & more!

## **YOUTH ORGANIZING FOR COMMUNITY POWER**

This is SOUL's core youth organizing skills training manual. Trainings were developed by experienced organizers and training centers nationally. The manual seeks to develop young organizers' skills to build a membership base, develop strategy & campaigns, and grow strong organizations. If you've been looking for tools to develop new organizers—staff and members—check this one out! It contains over 450 pages of curriculum, including visuals, worksheets, and a glossary for use in trainings and tools organizers can integrate into their work. Though these participatory workshops were developed for youth organizers, they have been used in a variety of contexts. They include:

- Developing Base-Building Plans
- Principles of Leadership Development
- Campaign Development
- Targeting & Power Analysis
- Moving the Message
- Building Strong Organizations
- & more!

## **TRAINING FOR TRAINERS MANUAL**

SOUL's Training for Trainers Manual is a compilation of the curriculum used in SOUL's 3-day Training for Trainers intensive which builds the capacities of organizers and educators to run trainings in their own organizations, sharpen-

ing popular education and facilitation skills along the way. This manual contains 27 hours of training plus resources, covering many topics including:

- Deconstructing Difficult Topics
- Popular Education Theory
- Working with a Co-Facilitator
- Difficult Training Moments
- Workshop Development
- The Process of Consciousness-Raising
- & more!

## **GLOBAL JUSTICE TRAINING MANUAL**

This manual is designed to help young people develop a critical analysis of global inequality and the "War on Terror." Drawing on young peoples' experience of oppression in the United States, these workshops make connections to the international context and foreground struggles for global justice. This manual contains almost 400 pages of curriculum, including these workshops:

- The Global Hustle
- From the Bay to Palestine
- The War on Iraq
- The War at Home
- Oil & Power
- Truth, the First Casualty
- & more!

## **SUPPORT & ACCOUNTABILITY**

SOUL utilizes a supervision model based on a balance of support and accountability. This model of supervision, in use over the past decade, is a work in progress that we are proud to make available to serve ally organizations and their leadership! We have noted the crucial components of SOUL's staff development model in this organizational development manual and hope that these tools prove useful to a broad array of movement organizations. This document includes topics such as:

- What is Empowering Supervision?
- Supervision as Leadership Development
- Raising Critique, Reflecting on Feedback
- Hierarchy and Democracy
- Staff Member Orientation and Evaluation
- Organizational Culture
- & more!
